

IOSH Managing Safely eLearning

Duration: Approximately 15 hours study time

Venue: Online

Qualification:

Institute of Occupational Safety & Health Managing Safely Digital Certificate.

Target audience:

Managers/supervisors in any sector / organisation who have to manage risks and resources.

eLearning:

Once enrolled you will have access to the IOSH Managing Safely Online course for 6 months. During that time you can study whenever is convenient for you. You can dip in and out of the course and can use different computers / laptops / tablets.

Course Aims:

To give Managers or those with responsibility the knowledge they need to manage Health and Safety. To ensure safety requirements are appreciated by people employed as line managers, and to enable them to review their own departmental systems for safety, introducing new controls or implementing changes as appropriate.

Course content:

The course will include the following topics:

- Introducing IOSH Managing Safely
- Assessing risks
- Controlling risks
- Understanding your responsibilities
- Identifying hazards
- Investigating accidents and incidents
- Measuring performance
