

IOSH Working Safely eLearning

Duration: Approximately 7 hours study time

Venue: Online

Qualification:

Institute of Occupational Safety & Health Working Safely Digital Certificate.

Target audience:

All people whose work exposes them and others to risk.

eLearning:

Once enrolled you will have access to the IOSH Working Safely Online course for 6 months. During that time you can study whenever is convenient for you. You can dip in and out of the course and can use different computers / laptops / tablets.

Course Aims:

To make workers, at all levels, aware of their responsibility for safety towards themselves, colleagues and others affected by work.

Course Objectives:

By the end of the course, participants should be able to:

- Identify the hazards and evaluate risks in their workplace
- Use appropriate workplace precautions for specific risks; or seek advice on workplace precautions
- Assist managers in preparing written risk assessments
- Follow their organisation's Health and Safety Policy
- Co-operate and communicate on safety matters
- Carry out work activities without risk to themselves or others
- Report relevant accidents and incidents
- Monitor their own activities and assist managers in active monitoring
